## A SERENE DESTINATION for CELEBRATIONS

As far as the eye can see, there are rolling greens, enchanting lakes and the blue mountains of the western ghats. A world class facility for those who have a taste for the premium, and can tell a good golf course when they see one. Intended for Kochiites, tourists, weekend holiday makers and business travellers, it is designed to give an enjoyable golfing experience together with a welcoming atmosphere and stunning natural beauty under open blue skies.

Through location and design, the CIAL golf course is within reach for golfers of all skill levels. With ample parking space, and open 365 days a year, the only 18 hole golf course in Kerala aims to be the numero uno of the golfing circuit in this part of the world.

## GOLF LAWN for EVENTS & PARTIES

CGC is an eco-friendly all-weather golf course that offers a cordial experience with a breathtaking view. Five large lakes, beautiful fairways, and a sprawling driving range will give you a placid feeling. Recognising that every gathering or event is different, the golf course has been designed to provide the perfect setting for many occasions. Combine that with ample parking facilities, changing rooms, dining area, facilitation area and you have a great spot to host special occasions, meetings, events, and other personal and corporate gatherings. These could include a wedding reception, a luncheon meeting, a dinner banquet, a cocktail party or a product launch. You can bring any caterers or event managers of your choice..
